Rad AI Report:
OUR 2025 IMPRESSIONS

AI That Enables at Scale

9,000 RADIOLOGISTS using Rad AI Impressions with **45+ MILLION** impressions generated

11% increase in productivity per shift in under one month after LucidHealth adopted Rad AI Impressions.

"Rad AI gives me a **25–30% efficiency boost** on CT, MR, and PET reads, and even reduces liability risk when I'm pulled away mid-case, compiling all the key findings into the impression so I can pick up right where I left off."

— Daniel Macksood, MD, Radiologist, RAFV

1,500% YoY increase in reports generated with Rad AI Reporting

290K patients tracked for follow-up recommendations with Rad AI Continuity

For Radiologists. By Radiologists.

Industry Momentum

1st RSNA Ventures named Rad AI its first industry partner, with the partnership featured by AuntMinnie.com and Fierce Healthcare. Plus media coverage in leading publications, Newsweek and Modern Healthcare.

Newsweek
Modern Healthcare

A KLAS survey ranked Rad AI among the **TOP 5** AI companies healthcare leaders are considering, alongside Epic, Microsoft, Oracle Health, and Workday.

7 Industry awards, including CNBC Disruptor 50 and the Deloitte Fast 500 (#36) and Inc. 5000 (#107).

CNBC DISRUPTOR 50 2025
500 Technology Fast 500 2025 NORTH AMERICA Deloitte.

$68 million raised in Series C funding lead by Transformation Capital and with strategic investments by Advocate Health, Memorial Hermann Health System, Corewell Health and Atlantic Health System.
